All Ship Agents,
All Sea Ports of Georgia

To: All Ship Agents
All Sea Ports of Georgia

SUBJECT: Mandatory reporting obligation

Dear Sir/Madam

Maritime Transport Agency of the Ministry of Economy and Sustainable Development of Georgia presents its compliments and hereby would like to notify that all concerned parties, especially Ship agents are strongly requested to inform the ship master concerning Mandatory reporting obligation in accordance

with Functioning Rules of Vessel Traffic Monitoring and Information System in Georgian Territorial Waters and Ports (30 March, 2016). Please take into consideration that the failure of submission of reports is subject to legal actions. Below see list of information and contact details in order to submit reports.

List of information:

Information to be notified in accordance with Article 4 of the rule — General information:

- (a) ship identification (name, call sign, IMO identification number or MMSI number),
- (b) port of destination;
- (c) estimated time of arrival at the port of destination or pilot station, as required by the competent authority, and estimated time of departure from that port;
- (d) total number of persons on board.

Information about Dangerous and polluting goods to be notified in accordance with Article 10 of the rule:

A. General information:

- (a) ship identification (name, call sign, IMO identification number or MMSI number);
- (b) port of destination;
- (c) for a ship leaving a port in a Member State: estimated time of departure from the port of departure or pilot station, as required by the competent authority, and estimated time of arrival at the port of destination;
- (d) for a ship coming from a port located outside the Community and bound for a port in a Member State: estimated time of arrival at the port of destination or pilot station, as required by the competent authority;
- (e) total number of persons on board.

B. Cargo information:

(a) the correct technical names of the dangerous or polluting goods, the United Nations (UN) numbers where they exist, the IMO hazard classes in accordance with the IMDG, IBC and IGC Codes and, where appropriate, the class of the ship as defined by the INF Code, the quantities of such goods and their location on board and, if they are being carried in cargo transport units other than tanks, the identification number thereof;

(b) confirmation that a list or manifest or appropriate loading plan giving details of the dangerous or polluting goods carried and of their location on the ship is on board;

(c) address from which detailed information on the cargo may be obtained.

A ship shall report before entering any port of Georgia in accordance with the requirements or:

a) At least 24 hours before entering the port;

b) If the time from departure port to destination port is less than 24 hours, use earliest opportunity.

For and behalf of Capt. Mamuka Akhaladze, Director.

Sincerely,

Acting Director

Avtandil Gegenava
