2016 / 11 /02

To Whom It May Concern

Subject: Requirements International Convention On Standards of Training, Certification and Watchkeeping (STCW), Manila Amedments, for all Engineering Officers (including Electro-Technical Officers (ETOs)) Regarding High Voltage (HV) Systems Training.

Dear Sir/Madam,

Maritime Transport Agency of the Ministry of Economy of Sustainable Development of Georgia (MTA) hereby informs all concerned parties that according to the requirements of Section A-III/1; A-III/2; A-III/6 of the STCW Convention, as amended, all engineering officers and Electro Technical officers shall have competence via High Voltage Training.

From February 1, 2012 till today all MTA Georgia certified engineering officers and Electro Technical officers have limitation for High Voltage System applied in Certificate of Competency.

The limitation in Certificate of Competency will automatically cease this effect for all above mentioned Seafarers after completing MTA Georgia approved high voltage Systems Training via receiving Certificate of Proficiency.

Sincerely,

Director

Mamauka Akhaladze
