№ 25/CIRC/FSI

2019 / 07 / 11

To: Shipowners, ship managers, operators, masters, crew members,
surveyors and the shipping community

This Circular serves to inform the owners and shipmasters of vessels registered under the Georgian flag concerning new registration service adopted by Maritime Transport Agency of Georgia.

The State Ships Registry of Georgia is introducing incentive for shipowners of Georgian flagged vessels engaged in international navigation. The incentive applies to Shipowners who accept to employ Georgian seafarers on such ships and by way of which will receive reduction in registration service fees rendered by Maritime Transport Agency of Georgia.

According to the new rule, vessels engaged in international navigation, which at least 10% of crew will be manned by Georgian seafarers throughout a registration year, will receive a 100% reduction in cost of annual renewal registration fees for vessels already registered with the State Ships Registry of Georgia.

Bearing in mind all the afore-mentioned, we invite you to kindly consider this new development and submit us crew member list during annual renewal of registration.
